

NAVISTAR UPDATES

July 23, 2012 -SUB Monies Local 35 and Local 127

For a number of weeks the CAW has been communicating with Navistar concerning SUB monies that properly and legally belong to the workers at Local 35 and Local 127. We spent a considerable amount of time verifying the numbers for accuracy. In full consultation and approval from the Bargaining Committees of Local 35 and Local 127, please click [here](#) to read the complete correspondence to Navistar. We will await their response and will continue to update the membership on this matter.
